# FOREWORD

This handbook has been prepared as a ready reference on agricultural statistics for the Province of New Brunswick. It is a joint undertaking of Statistics Canada, Atlantic Office, Truro, and The New Brunswick Department of Agriculture and Rural Development, the Statistics Canada Office being responsible for assembling and compiling of data with The New Brunswick Department responsible for printing.

The greater part of the material contained herein has been compiled from Statistics Canada sources. Acknowledgement is made to Agriculture Canada for data taken from their publications.

We would like to hereby dedicate this publication to the farmers of the Province, processors and others associated with the industry who, by their cooperation through surveys and censuses, made the information available. Without their cooperation in returning the data, these statistics for agriculture would not be available.

# AVANT-PROPOS

Le présent ouvrage de référence sur les statistiques agricoles pour la province du Nouveau-Brunswick a été préparé à des fins d'usage pratique. Il s'agit d'une réalisation conjointe du bureau de l'Atlantique de Statistique Canada, à Truro, et du ministère de l'Agriculture et de l'Aménagement Rural du Nouveau-Brunswick, le bureau de Statistique Canada assumant la responsabilité de la collection et de la computation des données et le ministère néo-brunswickois; celle de l'imprimerie.

La majeure partie des renseignements que renferment le présent ouvrage ont été compilés à partir des sources de Statistique Canada. Nous remercions également le ministère de l'Agriculture du Canada pour certaines données que nous avons puisé dans ses publications.

Nous aimerions enfin dédier la présente publication aux agriculteurs de la province, aux fabricants et aux autres intéressés à l'agriculture qui ont bien voulu prêter leur collaboration aux enquêtes et aux recensements pour mettre au point la présente liste des renseignements. Sans leur coopération pour la collection des données, les présentes statistiques agricoles n'auraient pu être publiées.

On peut obtenir de plus amples détails ou des renseignements plus spécifiques sur les statistiques agricoles ou communiquant avec les suivants:
